

OPEN POSITION

Senior Designer

Location: Covington, KY
Type: Full-time
Contact: info@bldgrefuge.com

About BLDG:

We are a creative refuge that fosters the inspirational, the visionary and the uncommon. Where copious creatives challenge the norm, stand on the ceiling, change what's possible. Transformation is inevitable, ordinary is unacceptable. Let's create.

Job Description:

BLDG is looking for top design talent to create for BLDG and it's variety of clients. The Senior Designer will be heavily involved in all phases of the design process; from concept to production.

Responsibilities:

- Create branding for a variety of clients from strategy to execution.
- Serve as a mentor for younger designers.
- Create visual communication strategies across branding.
- Give well-articulated design critiques.
- Manage design for agency of record clients.

Our Desired Candidate:

- Has 5-7 years design experience.
- Has the leadership skills to help manage a group of designers.
- Has an interest in screen printing and illustration.
- Strong presentation skills.
- Can manage branding projects with a degree of independence.
- Proficient writing skills.
